Welcome to Hotel Strandblick!

Thank you for choosing our Hotel for your stay in Kühlungsborn.

We wish your visit to be a most memorable experience. For your orientation we have put together useful informations about our services.

- About us:** Our **Ringhotel Strandblick** reopened on the 4th April 1996. We kept as much of the original „Villa Hansen“ from 1906 as possible. After remodelling from 1994 to 1995 and enlargings in 2000/2001 and 2009/2010 the Art Nouveau mansion is offering you 52 rooms and suites at a 4**** Superior category.
- Allergies:** Some of our comfortably furnished rooms are equipped with pollen filters. In addition, we will be happy to provide you with anti-allergy covers and pillows. Upon request, we'll change your bedding daily.
- Art Nouveau:** One of the most beautiful epochs in art history which took its birth in the late 1890's and brought a revolution to artistic expression and standards. Above all reigned preciousness and aesthetics of shape. In **Ringhotel Strandblick** all existing art nouveau elements were carefully restored. The Riebesells endeavour to pertain to this magnificent style when furnishing the newly established areas of the hotel. It was an ambition to give a feeling of that lifestyle. Throughout the hotel you will find prints of the famous artists Gustav Klimt, Peter Severin Kroyer or Alphonse Mucha and original artefacts from that epoch. As well you will find prints of the contemporary artists Horst Janssen and Björn Winblad.
- Bar:** The Art Nouveau Bar is located in our restaurant „Strandauster“. Open from 5pm-11.30pm it is an ideal meeting point for you and your friends. The bar offers a range of draft beers, wines and cocktails. Or maybe you would like to try one of our delicious alcohol free cocktails?
- Beds:** In our hotel you will sleep in highly comfortable Treca box spring beds. Should you desire other or additional pillows or covers than those available in your room, please contact the reception: We have pillows of different sizes and materials as well as covers of different materials and for different temperature ranges.
- Breakfast:** If you like to sleep in you are at the right venue. Breakfast is served from 8am – 12am. If, however you would like to start your day earlier please let us know the evening before and we will arrange it for you.
